## *Foreward*

In the year 1954, you were welcomed to the Music and Drama Night in our new auditorium. This year we have invited you to a new effort — a Broadway three-act comedy presented by the recently formed W. C. V. S. Drama Club.

Mr. Wickett, the Director, selected this play because of the challenging philosophy of life, the mixture of fun and pathos, and the opportunity presented to a large group of interested student actors.

Since September the play has been growing to the present form. Many have contributed to its success and an acknowledgment of this is found on the final page of the programme.
